NEW ATTACK BY SAME DOGS

Mrs. Betty Kelly of Baker Lane, Mattapoisett was walking her dog on a leash in her own backyard on Sunday night. A Great Dane and a Boxer leaped on her from out of the dark knocking her to the ground. The boxer fastened his fangs around the neck of Mrs. Kelly's dog. Fortunately, Joseph Kobak, neighbor of Mrs. Kelly, heard the noise and quickly got Mrs. Kelly to her feet and into the house, and was also able to save her dog from being killed. This is the same vicious team of dogs that attacked the cocker on Church Street on last Sunday night, one week ago.

GRANGE MEETING

Mattapoisett Grange held its bi-monthly meeting Thursday night in the Grange Hall. It was voted to neighbor with Rochester Grange Wednesday night, February 12th.

Honored guests were Joseph Bradford, Deputy of the Massachusetts State Grange; Mrs. Charles Westgate, representative from Sippican Pomona; Elbridge Cleveland, master of O-ne-set Grange; and Mrs. Ann Cleveland, chairman of the Home and Community Service Committee of Sippican Pomona.

The lecturer's program was in charge of Mrs. Ruby Barber, chairman of the subordinate Home and Community Service Committee, and members of her committee. Making valentines started the program with all participating. Judging was

LINCOLN'S BIRTHDAY

Lincoln had strength. He had the qualities of character that develop in a man who works hard with his hands. By today's standards he was a "square". Once, as a young storekeeper, he walked more than 6 miles to correct an overcharge of 6 1/2 cents. He didn't "take it easy"but he did fail and his partner ran off leaving a $1,200 debt which to Lincoln was a staggering sum. He eventually paid it all off including interest. He climbed to the Presidency on the strength of the faith that people placed in his integrity. We honor a man who became a giant among our greatest men.

done by the honored guests who judged Earle Wilson's as the prize winning valentine.

Donna Hubbard won the candy hunt game. The "match game" was conducted by Mrs. Jennie Toolis. Mrs. Barber conducted a penny sale, proceeds to go towards community work.

Suggestions for the good of the order were given by the honored guests with Mrs. Cleveland explaining the sewing project, urging the ladies to enter and they may get information and rules from Mrs. Barber. This project is open to anyone, but if not a Grange member, they may be sponsored by a member of the Grange. The contest will close April 30th.

The next meeting's program will be put on by the lecturer, Ann Cleveland of O-ne-set Grange. Refreshments will be furnished and served by the youth of Mattapoisett Grange.

a 3 to 0 win over Herbs TV Shop in the Rochester Bowling League. Stub Hartley kept the name in the news with a 342 for Herbs TV. The Woodchoppers put Charlie Jefferson's 372 triple to good use and took 3 points from the Knotty Pine Cafe. Rob Jefferson picked up 356 pins for the Cafe. Mike Renahan, with a 377 three string, helped Dennis Mahoney & Sons take a 2 to 1 match from Hartley's Garage. Hank Fisher was chief bomber for Hartleys with a 349. Irish Leary charmed 373 ducks for Hillers Garage and 2 points from Lloyds Market. Al Souza's 350 led the losers.

IMMOVABLE

Charles DeGaulle has been under much criticism lately because of his determination to develop a nuclear force, his tie-up with Red China and the truck deal with Castro. The United States says that this is against the interests of the Free World. The answer may be that DeGaulle has been observing the foreign policy of the U. S. and reading our newspapers. He has, no doubt, decided that if France is to survive, he had better prepare her to survive alone. No country under the protection of the U. S. can develop much confidence in our willingness to defend them after watching our performance in Panama and Cuba. Plainly, the U.S.

is unwilling to protect its own interests. After Castro shut off the water, on Friday, headlines boldly proclaimed "PRESIDENT STANDS FIRM IN CUBAN WATER CUTOFF." The reader, in the story below this headline, discovered that the United States firmly decided to do without water from Cuba. In other words, the headline would have made just as much sense if it had stated PLYMOUTH ROCK STANDS FIRM IN CUBAN WATER CUTOFF. Our present policy makers could not stand firmer if their shoes were nailed to the floor. D.C.J.

WORLD DAY OF PRAYER SERVICE

The World Day of Prayer service to be held at Mattapoisett Congregational Church at 11 A.M. this Friday will have as leaders: Mrs. Edmund Ferry, Mrs. Linwood Lewis, Mrs. Stephen Flanders, Mrs. Louis Roberts, Mrs. Raymond Brown and Mrs. Cyrus Stonehill. Miss Dorothy Fox and Mrs. Merrill Walker will act as greeters. Ushers will be Mrs. Conrad Pasbrig and Mrs. Frank Oxnard. Mrs. Charles Ripley is organist. Buffet chairman for the "Fellowship Hour" to be held at noon after the service will be Mrs. Earl Tinkham.

All members of the community are cordially urged to attend, regardless of church affiliation. The service provides an extraordinary opportunity for fellowship at a deep level with Christians all over the world and the experience of Christian unity in prayer. Persons from many nations are involved in shaping the service, which each year has five basic elements: an awareness and a committment to the reality and power of prayer, a concern for the need of all peoples for the message of the Christian gospel, a service open to all, the use of the same theme and service as the basis for planning and observing the day everywhere in the world, and lastly, offerings made for the united missionary work of the Church.

WHIST PARTY

A public whist party will be held in the Mattapoisett Grange Hall Monday night, February 17th. Mr. and Mrs. Otto Kellish, assisted by members of the Grange, will be in charge of it.

6:45 and closed at 7:30 for the lecturer's program.

Lecturer, Marilyn Lewis, presented Mr. Manuel Xavier, the M.C. for the Bristol County Dog Training Club of New Bedford, who with a class of trained dogs presented a most entertaining program.

There were Mrs. Xavier with Tico, her chihuahua, Mrs. Agnes Nuttal with Captain, a cocker spaniel; Paul Johnson with Duchess, a German Shepherd; Mrs. Ingham with Penny, a cocker spaniel; Ernest Dion with Butch, a toy minchester; Taby, a miniature poodle belonging to Ray Jukes; Jolly, a cocker spaniel, John Nuttal's dog; Lolly Pop, a toy fox terrier who belonged to Albert Gagnon; and Dolly, Mrs. Gagnon's toy fox terrier. All showed much patience and many hours of training by the school.

This being the 29th birthday of the Juvenile Grange, a candle lighting ceremony took place, honoring the 22 past masters. The two lovely candleholders, holding the 22 candles, were made by Mr. Bruce Borges. As Edward Alves, the secretary, called the roll, the lecturer and master would light the candles of the past masters that were absent. Past master Barry Denham was present to light his and his father's, John Denham, Jr., who was in Florida.

at Tobey Hospital. The lecturer's prize was won by Dominic Costello of Smith Mills.

Visitors were from Stoughton, Smith Mills, Nantucket, New Bedford, West Wareham, Fairhaven, Rochester and Acushnet Granges. The Acushnet Grange went home with the attendance "Sputnik".

A calendar program was the feature of the evening. Special guest was Tootsie, a dog owned by the Wood family. Tootsie, representing the month of February, was dressed like a Valentine with a hat on her head tied under her chin and a big paper heart with the words Please Be My Valentine written on it. A rhythm band and poems and songs featured the months of July and August in charge of Mrs. Nan Bower. Mrs. Ruth Wood had charge of January and Anthony Francis, December. Refreshments were various cakes made to represent each month in charge of Gordon Cudworth.

The next meeting, February 19th, will be a Valentine Party. Mr. and Mrs. Nelson Adam will be in charge of refreshments.

DOG REPELLENT FOR BARRELS

If you are putting out the same rubbish twice every week here is a tip which may help to get it to the dump. LIQUID WRENCH is a very inexpensive product designed to free bolts which have rusted tight. It has an odor which dogs hate. Liquid wrench sprayed liberally on barrels has caused one dedicated canine rubbish upsetter to avoid the treated barrels. We'll be very glad to pass on any other suggestions which may help in the struggle to get the trash to the dump.
